

## Rock Hill – Fort Mill Area Transportation Study

### 2035 Long Range Transportation Plan

The development of the RFATS Long Range Transportation Plan as a collaborative process that involved numerous stakeholders, including the RFATS Committee, Study Team, Citizens Advisory Committee as well as representatives from the Federal Highway Administration (FHWA); Federal Transit Administration (FTA); Environmental Protection Agency (EPA); South Carolina Department of Health & Environmental Control (SCDHEC) and the South Carolina Department of Transportation (SCDOT). It also should be noted that the general public provided input for this plan at community workshops held on June 28, 2012 in Rock Hill, July 10, 2012 in Fort Mill and July 31, 2013 in Lake Wylie and at a public hearing on May 31, 2013. The plan was formally adopted on by the RFATS Policy Committee on May 31, 2013.
